

AMENDMENTS TO THE SPECIFICATION:

Kindly replace the paragraph beginning at page 1, line 13, with the following amended paragraph:

The invention relates to large-scale electric power transmission networks, and, more particularly, to a method, computer program and apparatus for determining parameters of an equivalent circuit representing a transmission section of an electrical network ~~as described in the preamble of claim 1, 9 and 10.~~

Kindly replace the paragraph beginning at page 4, line 1, with the following amended paragraph:

These objects are achieved by a method, computer program and apparatus for determining parameters of an equivalent circuit representing a transmission section of an electrical network ~~according to the claims 1, 9 and 10.~~
